2. **Must Report As Instructed** - After initially reporting to the probation office, you will receive instructions from the court or the probation officer about how and when you must report to the probation officer, and you must report to the probation officer as instructed.

White has been instructed to complete his monthly supervision reports monthly, however, he has not submitted a monthly report since July 2022. White has failed to submit his monthly supervision reports for the following months:

July 2023  
June 2023  
May 2023  
April 2023  
March 2023  
February 2023  
January 2023  
December 2022  
November 2022  
October 2022  
September 2022  
August 2022

3. **Work Full Time** - You must work full time (at least 30 hours per week) at a lawful type of employment, unless the probation officer excuses you from doing so. If you do not have full-time employment you must try to find full-time employment, unless the probation officer excuses you from doing so. If you plan to change where you work or anything about your work (such as your position or your job responsibilities), you must notify the probation officer at least 10 days before the change. If notifying the probation officer at least 10 days in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of a change or expected change.

White is currently unemployed. He reported he was employed up until approximately "late April." However, the last verification the probation office received from Mr. White was from February 1, 2023.

4. **Substance Abuse Treatment** – You must participate in an outpatient substance abuse treatment program and follow the rules and regulations of that program. The probation officer will supervise your participation in the program (provider, location, modality, duration, intensity, etc.). You must pay the costs of the program.

On November 2, 2022, White was admitted to Intensive Outpatient Treatment (IOP) due to significant drug use. On January 28, 2023, our office received his discharge summary indicating he had completed his IOP program and was being referred for outpatient substance abuse treatment for additional support. However, his clinician reported that

White missed three (3) consecutive sessions and was unsuccessfully discharged due to his lack of attendance.

5. **Must Not Interact With Criminals** - You must not communicate or interact with someone you know is engaged in criminal activity. If you know someone has been convicted of a felony, you must not knowingly communicate or interact with that person without first getting the permission of the probation officer.

On December 15, 2022, a home contact was made at White's residence. During the home contact, a male knocked and entered the residence claiming to be a friend of Mr. White's. He reported he was previously on federal supervision out of California. When asked for identification, he reported he left it in his Lyft ride and left the residence to retrieve it. However, he never returned and White never provided this officer with his contact information or identifiers.

UNITED STATES V. DASHAWN WHITE, 2:18CR00396**

**SUMMARY IN SUPPORT OF PETITION FOR SUMMONS  
October 11, 2023**

---

By way of case history, on October 10, 2019, White was sentenced to 24 months custody for committing the offense of Felon in Possession of a Firearm followed by three (3) years of supervised release. His supervised release commenced on December 23, 2020.

In a report to the Court dated August 8, 2022, our office advised that White had accumulated positive drug tests, missed drug tests, had attempted suicide and was in need of further treatment. It was identified that he would benefit from mental health treatment and a modification request was submitted and approved by the Court for such.

In August 2022, White was referred back to outpatient treatment; however, due to continued drug use, he was referred to intensive outpatient treatment (IOP). He successfully completed IOP and was “stepped down” to outpatient treatment for continued care; however, he was removed from outpatient treatment due to too many missed sessions.

Regarding his recent positive drug tests, White continues to deny any drug use despite having confirmation of his positive tests from the national laboratory. White has been offered the highest level of treatment available and has successfully completed it; as such, he is aware of the tools to remain sober and he has been able to remain sober for months at a time. Further, he remains in denial and refuses to admit his drug problem, rendering our office unable to appropriately address his drug use.

Pursuant to 18 U.S.C. § 3583 (g)(3) Mandatory revocation for possession of controlled substance or firearm or for refusal to comply with drug testing- if the defendant refuses to comply with drug testing, thereby violating the condition imposed by section 3563(a)(4), the court shall revoke the term of supervised release and require the defendant to serve a term of imprisonment not to exceed the maximum term of imprisonment authorized under subsection (e)(3). White has placed himself in mandatory revocation due to testing positive for illegal controlled substances more than three (3) times over the course of one (1) year.

White has a Criminal History Category of III as supported by his prior criminal history:

**Juvenile Adjudications**

2009 – Battery; Robbery

**Adult Convictions**

2014 – Robbery (While on supervision for this case through the Nevada State Parole and Probation Office, he committed the instant federal offense and was sent back to Nevada Department of Corrections custody).

**RE: Dashawn White**

Prob12C

Rev. March 2017

Unfortunately, White has not taken advantage of the opportunities provided to him by this Court. Despite the steps taken to assist him, he has decided to continue in his violation conduct. Based upon this information, it is respectfully requested a summons be issued to initiate revocation proceedings.

Respectfully submitted,
